

GATOR PAPER

HELPING YOUR BUSINESS TAKE A BITE OUT OF THE COMPETITION!

Press Release

Gator Paper, LLC is proud to inform sports teams and facilities around the world that a very powerful form of branding once thought to be affordable to only the big companies and franchises is now available to all industry levels. Gator Paper offers large and small teams and facilities the ability to print their logo or a sponsors logo, phone number, website address, etc. on food service paper. We specialize in sandwich wrap, basket liners, butcher paper, food service labels, gift paper & hot paper (a new industry exclusive product to replace cushion foil – microwave safe and oven safe up to 375°). **We offer very low minimums, short turn around time and very competitive prices!**

Pros and Cons for using Gator Paper products:

Pros

- Unique sponsorship and branding opportunity
- New sponsorship opportunity can incorporate paper costs and additional revenue for your organization
- Concession paper costs can be eliminated from your operating budget
- Very low minimum orders
- Quick order and reorder time
- Use of top quality paper products

Cons

NONE!

Can you really afford to not use our paper?

Gator Paper knows the importance of team sponsorships and the additional revenue it provides to the team or facility. We pride ourselves on good customer service and understands what it takes to be successful in today's market!

This is your opportunity to increase sponsorship sales by printing your team or sponsor logos on all your concession paper. Our low minimum orders allow teams and facilities to sell both large and small sponsorship packages through concession paper.
